Conditions for car parking at the parking area of Flughafen Friedrichshafen GmbH

I) Opening hours

The opening hours of the parking lots correspond to the opening hours of the airport.

II) Parking fees

The fee for individual parking is calculated according to the published valid price list for the parking space used. In case of a long-term parking agreement the fee applys according to the rental agreement.

In case of loss of the parking ticket, there is a charge of at least € 80, unless the parker proves a shorter parking period or the parking operator proves a longer parking period.

If the parking fee is reduced or an attempt is made to reduce the parking fee, a surcharge to the parking fee of 100% is charged, but at least the amount of € 80, will be charged.

III) Form of contract

Upon entering the parking lot, a rental contract for a parking space comes into force. At the same time, these parking conditions and the Airport User Regulations are accepted as part of the rental agreement.

IV) Parking and parking duration

The duration of the parking period is limited to 100 days, starting on the day of entering the parking lot, unless a special agreement has been made. Even in case of exceeding the parking period, the parking lot operator is entitled to payment of the accrued parking fee.

The parking operator may have the vehicle towed away from the parking space at the expense of the car owner, if

a) the specified maximum parking time is exceeded,

b) the vehicle has to be removed from the parking space in case of urgent danger.

c) the vehicle is not registered by the police or is removed from circulation by the police during the parking period.

The vehicle shall be properly parked within the marked parking spaces.

In case of violation, the operator has the right to charge the parking fee according to the area used.

Unless the operator or its employees assign a specific parking space, the parker may choose from the available unreserved parking spaces.

The parker must observe the traffic signs and other regulations of use.

In all other respects, the provisions of the Road Traffic Regulations shall apply. The parked vehicle shall be carefully locked and secured in accordance with traffic regulations.

The exit is allowed only upon payment of the parking fee.

V. Liability

The operator is liable for all damages, insofar as they can be proven to have been caused by him, his legal representative or his vicarious agent due to gross negligence or intentional and, in addition, the claim is reported before leaving the parking lot.

The liability extends only to the vehicle itself and not to the the contents of the vehicle. In all other respects, the liability of the operator is excluded insofar as the law allows it. He is not liable for damage caused by third parties. Liability for theft is excluded.

The parker shall be liable for all damage caused by himself, his vicarious agents, his representatives or accompanying persons to the parking lot, its facilities or to third parties. He is obliged to immediately report the damage to the the operator without delay.

In the case of slightly negligent breaches of duty - also by the legal representatives of the operator or his vicarious agents - the liability of the order the foreseeable, contract-typical, direct average damage. average damage typical for the contract

In the case of slightly negligent breaches of duty - also by the legal representatives of the operator or his vicarious agents - the liability of the contractor is reduced on the foreseeable, contract-typical, direct average damage

VI. Right of lien

For all claims arising from the rental agreement the operator has a right of retention, as well as a legal lien on the hired vehicle and its accessories.
